OVERVIEW

Holmström Fastigheter Holding AB (publ) (“Holmström Fastigheter”) is a wholly-owned subsidiary of Holmströmgruppen and primarily focuses on residential rental properties in prime locations in metropolitan as well as regional cities throughout Sweden.

Holmström Fastigheter also holds around 40% of the shares in HAM Nordic, which holds 100% in the property developer Magnolia Bostad. Additionally, Holmström Fastigheter holds 50% of the shares in Vincero Fastigheter 5 AB, who specialise in commercial and residential properties in the Greater Stockholm and Uppsala area.

Since February 2022, Holmström Fastigheter has owned 47.5% of Klippudden Fastigheter. The ownership is a JV between Holmström Fastigheter and Slättö whose ownership amounts to 50%. The remaining 2.5% is owned by Latona. Holmströmgruppen will continue to be asset manager for Klippudden Fastigheter.

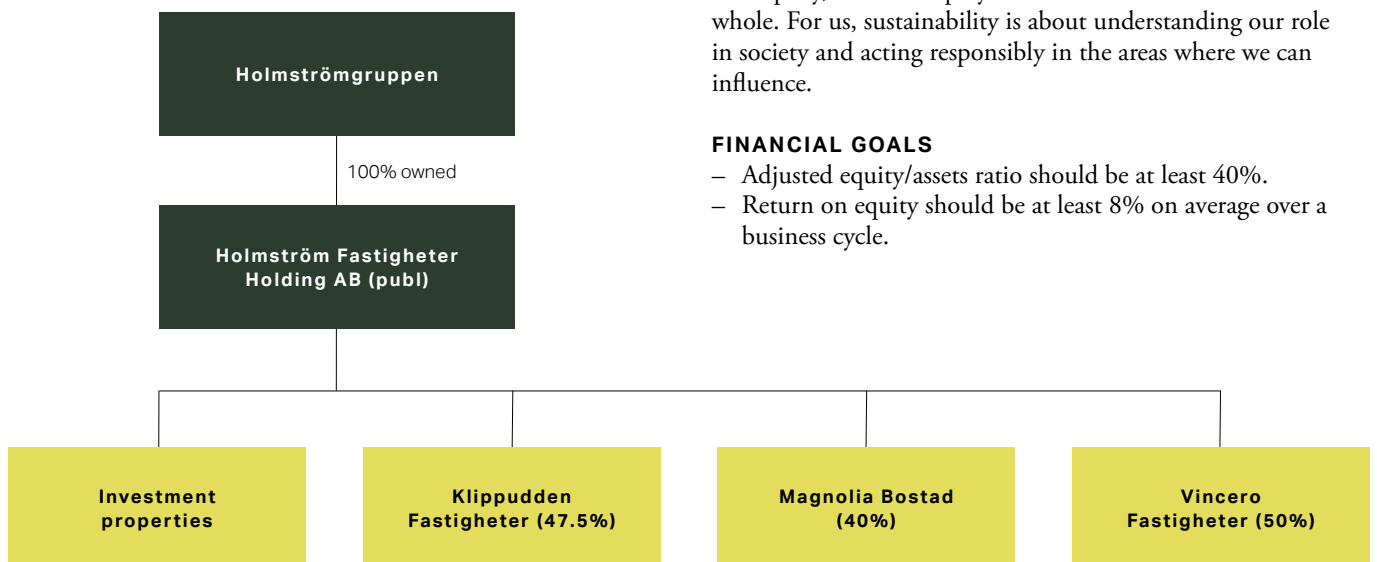

SUSTAINABILITY

Holmström Fastigheter works for sustainable development, and we see sustainability issues as a natural part of our work.

We consider the environment and people and take responsibility for future generations. We are convinced that a healthy approach to sustainability issues brings great benefits for us as a company, for our employees and for the outside world as a whole. For us, sustainability is about understanding our role in society and acting responsibly in the areas where we can influence.

FINANCIAL GOALS

INVESTMENT PROPERTIES

In February, a JV was formed where Holmström Fastigheter and Slättö will develop Klippudden Fastigheter. As a result of the partnership, Holmström Fastigheter's own housing portfolio has decreased as the assets are now in the associated company Klippudden Fastigheter.

Holmström Fastigheter's own property portfolio consists of residential properties and to a lesser extent commercial properties. 78% of the portfolio (calculated according to lettable area) is residential properties, which due to a normally low vacancy rate are usually regarded as a low-risk segment. The vacancy rate in Holmström Fastigheter's own property portfolio at the end of the period was 4.6%.

LOCATIONS

The properties are located in Stockholm, Nynäshamn and Österåker (Mälaren Region) and in Örnköldsvik. All properties are located in central, attractive locations in areas that show good economic growth, positive population growth and a shortage of housing.

TYPE OF PROPERTIES

Residential properties make up the largest segment of the portfolio, in line with Holmström Fastigheter's strategy. Commercial spaces are typically located on the ground floor of the residential properties.
